

INTRIGUE SOFTWARE, INC.

PRIVACY POLICY

Effective June 8, 2009

1. Overview

This Web site (the “*Site*”) is a service of INTRIGUE Software, Inc. (we, us, or “*INTRIG*”). INTRIG respects the privacy of its visitors. Please read our Privacy Policy carefully, and in its entirety, so that you understand what information we collect through the Site and what we do with it. If you have any questions about this Privacy Policy, please contact us at [EMAIL ADDRESS].

3. Information We Collect and How We Use It

Our servers may automatically collect limited information about your computer configuration when you visit our Site, including the type and version of browser you use, the operating system you run, the website that referred you to our Site, and your IP address. We may use your IP address to route various data to your computer, track the pages within our Site that have been accessed, and track how well each page within our Site is performing so that we can continue to improve our Site and the services we offer. We may also use IP address information for systems administration, to report aggregate information to sponsors and advertisers, and to conduct analysis of our site.

Your web browser software includes a feature called “cookies” that allows the websites you visit to store small amounts of data related to your visit on your computer’s hard drive. We do not use cookies and other technologies to track user activity.

4. Disclosure of Contact Information and Other Information

INTRIG is not in the business of selling or renting your Contact Information. We consider this information to be a vital part of our relationship with you and will not disclose your Contact Information to a third party except as set forth in this Privacy Policy. There are, however, certain circumstances in which we may share your Contact Information with certain third parties without further notice to you, as set forth below:

a. *Corporate Transactions.* As we develop our business, we might sell or buy businesses or assets. In the event of a corporate sale, merger, reorganization, dissolution or similar event, Contact Information and other information that we have associated with Contact Information may be part of the transferred assets.

b. *Vendors.* Like many businesses, we sometimes contract with other companies to perform certain business-related functions. For example, we may use third party companies to provide email and direct mail services, database research and maintenance, payment processing, and other services. If you have registered with the Site, we may share your Contact Information and other information that we have associated with your Contact Information, as necessary or desirable for the third party to provide such services for us. Such third parties will have

contractually committed not to use your Contact Information for any other purpose.

c. *Other Disclosures.* We may occasionally release information about our visitors when release is appropriate to comply with law or legal process, to enforce our Terms of Use or protect ourselves against legal liability, or to protect the rights, property, health, or safety of visitors to our Site, our advertisers, vendors, the public, or INTRIG.

Except as set forth above, you will be notified before we share your Contact Information with third parties, and we will not share such information with third parties without your consent.

6. External Links

To provide our Site's users with greater value and enhance our service offerings, we may provide links to various third party websites and applications. Please note that we do not control the privacy practices or the content of the sites or applications to which we link, nor can we guarantee the products or services you may obtain through such sites or applications. These links to third party websites and applications are provided only for your convenience, and as such, you access and use them at your own risk.

8. Security

Information we gather on our Site is stored within our databases (or databases hosted on our behalf) on servers maintained in protected environments. However, no physical or electronic security system is completely impenetrable. Therefore, we simply cannot guarantee the security of our servers or databases, nor can we guarantee that information you supply will not be intercepted while being transmitted to us over the Internet.

11. Other Terms and Conditions

By visiting this Site, you agree that your visit and any dispute over data collection or privacy are governed by this Privacy Policy and our Terms of Use, which is incorporated into this Privacy Policy.

12. Contacting the Site

If you have any questions about this Privacy Policy, the practices of this Site or your interaction with the Site, please contact us at:

13. Changes to this Privacy Policy

The Internet is a constantly evolving medium. If we need to change our privacy policy at some point in the future, we will post the changes to this Privacy Policy on this Site and update the Effective Date at the beginning of the policy to reflect the date of the amendment. By accessing this Site after we post such changes, you agree that your visit, and any dispute over privacy, is governed by this Privacy Policy, as modified, and our Terms of Use.
